Dated: October 17, 2002

In the event that this Paper is late filed, and the necessary petition for extension of time is not filed concurrently herewith, please consider this as a Petition for the requisite extension of time, and to the extent not tendered by check attached hereto, authorization to charge the extension fee, or any other fee required in connection with this Paper, to Account No. 06-1378.

Responsive to the Office Action mailed June 21, 2002 (Paper No. 6), the term for response to which is extended one month by a PETITION FOR EXTENSION filed concomitantly herewith to expire on October 21, 2002, please amend the application as follows.

**IN THE SPECIFICATION:**

Please replace the paragraph bridging pages 19 and 20 with the following paragraph:

B1  
--In view of this, a composite magnetic body was molded after surface treatment with a coupling agent (soft magnetic powder). As a result, the magnetic permeability was raised from 12 to 17. This was because the affinity between the soft magnetic powder and the binding agent was improved by the use of a
